

To and from the airport

The Copenhagen Metro runs to and from Copenhagen Airport. The metro is the fastest and cheapest way of getting from the airport to the City, Frederiksberg and Vanløse.

The metro station is in Terminal 3, at the very end. On arrival you need to go past the airline check-in counters (SAS, Lufthansa, etc.) and up the escalators. Terminal 2 is a short walk away. With departures to and from the airport as often as every four minutes, you don't need to plan anything in advance. The trip from the airport to the City takes just fourteen minutes.

Prices

You can purchase tickets for public transport from the metro ticket machines located in all metro stations, including the airport. You can also buy tickets from the ticket counter in Terminal 3.
