EXPLORE THE CITY

GO LOCAL is a list of over 30 spot-hitting local experiences we love in each of the area, that our 4 hotels are set in. They are what we call 'local heroes' that offer a cool experience in the hood. We've created this to support them and for you to explore the best local food, drinks, fashion, design, interior, and culture.

WINE HOUR

Every day from 17-18 you are invited to drop by the lobby bar during **Wine Hour** for a glass of wine (or two) on the house. As a guest with us, you can also visit one of our other boutique hotels around in Copenhagen and enjoy a glass there during Wine Hour - you don't have to stay there. Nice right?

NIGHTCAP HOUR

As a guest of ours, you are also invited for **Nightcap Hour** between 10-11 PM- an evening ritual we highly recommend! Every night during Nightcap Hour, we pour you a tippie (or two) of liquor on the house in our cozy social spaces to end the night. And you're totally allowed to get yet another round if you like!

The rooftop is a sky-high urban oasis on the top of the hotel with a sweeping 360-degrees view of Copenhagen. So come on up and take in the best view with lounge furniture, green plants and cool wine and beer in the bar.

When it's summer, the bar is open (if the weather allows it)

During the summer, we also host cool rooftop events. See more below.
